Dear Warren & Family.

just a few notes -

Hope the remainder of your trip went well. We had a very nice time with you & visit.

Enclosed is the information you requested.

Bobby's address is  
Robert A. Miller  
121 - Aztec Ave,  
Odessa, TX, 79763

If you ever get a chance to meet Bobby - He looks alot like Young Uncle Bill.

Michelle is not expecting. She is under going testing now for change of life

John still ragons it - rd not speaking to me - so his the same. He's beging to look for work - he thinks Consulate has drop him for good - I don't know yet.

Jose is the same - School will start in a few weeks. Hope

this help's - He is so wired up.

Bedford Fair was this week - I've  
Went twice with Let's kids - I did  
not go - Temp here was 100° F and  
above. I work at apt for 2 days  
not finish putting up the back  
yard pocket fence - it looks so  
nice - just like the old days when  
I was a kid.

Works the same - I have no  
idea - who's on first? what on sec.  
I guess it will all work out. So much  
heir's going on - 2 more have been  
fired "Case works" - So what ever it is  
must be heir - up - then House Parents -

I plan to begin work on the apt  
front next week - I finish later work  
out front. I just do a little at a time.  
So much at one time over Power's one.

My legs slowly getting better - but I  
still have bad days with it.

God Bless you all - I'll write latter.

Love Mom.
