Abraham Lincoln

To-day is February 12.
It is Lincoln's birthday.
Lincoln was born February
12, 1809.

He was a very poor boy.
He lived in a log cabin.
His mother died when
he was a little boy.
He had a new mother
who was very good to
him.

Lincoln did not go to
school.

His new mother taught
him to read and write.

Winter

Winter is the fourth season of
the year.

It begins on the 21st. of December
and lasts until the 21st. of March
at this season the days are cold.
The ground is covered with snow.
Jack Frost and North Wind have
a good time playing together.
Jack Frost freezes the rivers
and ponds.

North Wind likes to shake the
bare branches of the tree.

In winter boys and girls have
much fun coasting and skating.
Winter brings us Christmas.

We should thank God Who
is the Lord and Ruler of
the seasons.
