Dear Mom,

Don't get me anything
for Mother's Day. If you
want to spend the
money get the kids
something for in the
sand box and a watering
can. Mom won't let me
buy anything for them
to play with. The boys
would love this. Your
Birthday and Grandpa's is the
week after Mother's Day
I'll try to be up there for a
Picture.

HAPPY MOTHER'S DAY
to a Sweet Mother
